Building Blocks is a child care facility, the only in Morris County, providing care for children ages 2 weeks - 5yrs of age. We strive to provide quality, affordable child care for families in the Council Grove Community. It is our goal that children are not only cared for while in our care but are learning and reaching developmental milestones as they grow. In order to keep tuition affordable and continue to provide necessary materials for growth we look to organizations like CGAF to help us.
