Council Grove Area Foundation
C/O Spring Grant Application
P.O. Box 137
Council Grove, Kansas 66846-0137

Dear Mrs. Honer,

On behalf of the Council Grove Softball Club, please accept this Grant Application for your Spring 2019 process. Our Club is dedicated to supporting the Council Grove community and its needs. Over the last 4 years our Club has provided the Council Grove Recreation Department and members of the Council Grove community in need of financial assistance over \$17,000.00 in funding.

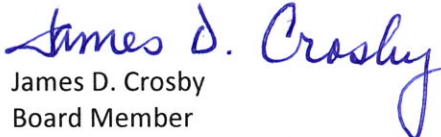

Submitted for your review are the following documents:

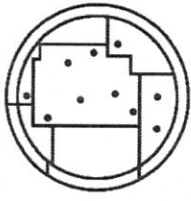

- a. Council Grove Area Foundation Spring 2019 Grant Application.
- b. 2019 Council Grove Softball Club Budget Project to the Council Grove Area Foundation. This projection includes both Phase I, which is completed, and Phase II to ensure understanding of our need.
- c. Projected cost of a 70' Fortress Trapezoid Baseball Batting Cage to be used as the Safe Zone Play Area for all children within the Bill Young Sports Complex. While the Softball Club has remaining funds to purchase this item, we thought it necessary to include it to show the needs of the other requested items. There is an additional shipping charge which we included as a separate item.
- d. Projected cost for sand for this project is listed on our Budget Worksheet and was received from PB Trucking in Council Grove, Kansas. I have also attached the Public Playground Safety Handbook for reference on our project. 2 Items in particular should be reviewed:
 1. Page 8 (2.4 Surfacing) through Page 11 (2.4.2.3 Installing loose-fill over hard surfaces). These pages give the guidelines of public safety for children on playgrounds.
 2. Table 2. Minimum Compressed Loose-Fill Surfacing Depths on Page 11 tells us that due to compression of materials, for the safety of our children, we should start with a 12" base on a 12 x 12 area (144 feet) thus raising the cost of needed materials.
- e. Projected cost of 8-foot Landscape Timbers to complete the area around the swing set.
- f. Projected cost of Rebar to hold the Landscape Timbers in place around the swing set.

- g. Projected cost of 70% UV protected shade screens to be placed over the netting of the Safe Zone Play Area.
- h. Lastly, we anticipate miscellaneous expenses for plastic zip ties, sand bags and stakes to ensure the netting is secured. We're not allowed by the Council Grove Recreation Department to tie off the netting into the new fence around the fields.

Lastly, we would like to thank the Council Grove Area Foundation for your past support and would ask that support be continued so that we may complete this project by the end of June 2019.

Sincerely,

James D. Crosby
Board Member
Council Grove Softball Club

Is your organization a nonprofit 501(c)(3)? **No**

Date status granted:

Tell us about your organization.

Mission Statement: to provide a quality, safe and sportsmanlike atmosphere that allows the members of our club, and their Families, to participate in the game of softball, connect with old and meet new friends, and to provide support to the citizens, young and old alike, of Council Grove, through our efforts to resource the needs of the community and its members.

This project is designed as a community service project to improve the safety of all children at the Bill Young Sports Complex. Since it's inception on 2015, the Council Grove Softball Club has provided the Council Grove Recreation Department and members of the community in financial need with over \$17,000 in donations.

Project Information

Name of project: Bill Young Sports Complex Child Safety Project

What geographic area will be served: Morris County and the surrounding area.

Who will benefit: Children of all ages and parents who are concerned for safety.

May 2018

June 2019

Anticipated Project Start Date

Anticipated Project Completion Date

What is the purpose of this project; what specifically will it accomplish?

The purpose of this project is provide a safe and secure environment for the children who come to the Bill Young Sports Complex to play and enjoy themselves. Additionally, the added safety of the playground will allow the parents of these children to enjoy their games (either watching or participating) without the added worry of the safety of their children.

What problem is this project attempting to solve?

The current playground equipment at the Bill Young Sports Complex has no protection from foul balls from 3 fields and is within 15 feet of the current parking lot. Our objective is to alleviate the safety concerns of the community and our Softball Club.

Who else in the community is working on this issue? Please list all other groups and/or committees.

This project is being completed in cooperation with the Council Grove Softball Club, City of Council Grove, Council Grove Recreation Department and the Council Grove Street Department.

How will the project be implemented and how will you coordinate with others working on this issue?

Coordination between the Softball Club and City of Council Grove Recreation and Street Department will be made for installation once all materials are on hand and the site prepared by volunteers. In progress reviews will be utilized with members of each entity present to ensure understanding of an established timeline.

What local support is there for this project?

Over 200 volunteers are available from within the Softball Club. Coordination will be made with the Council Grove Recreation and Street Departments to ensure proper location and placement of the project.

Financial Information

\$14,500.00

\$2,000.00

Total Project Cost

Amount Requested from CGAF

Please list the amount and source of pledge or commitments to date:

1. \$8,000.00: City of Council Grove for 10' high fence on each fence next to the proposed playground site.
2. \$2,000.00: Council Grove Area Foundation for a portion of the swing set purchase
3. \$2,500.00: Council Grove Softball Club for a portion of the swing set purchase.

Please list any additional funding requests that will be made:

Original projected cost was \$14,000.00. City of Council Grove provided \$8,000.00 for fencing. Public Playground Safety Handbook requires 9 inches of sand at the base and 6 feet around the swing set increasing the overall cost to \$14,500.00.
