Key Club is a leadership and community service organization. Throughout the past year the club has participated in a variety of activities to benefit the community locally and regionally. The students hosted a canned food drive. Proceeds were given to the local Care and Share and Main Street Pantry. The members also made Christmas cards and distributed them to Diversicare and adopted a child in need from the Care and Share Angel tree in December. Additionally, the club reads bi-weekly to the 2nd grade classes at CGES and will donate a book to each child this May. Finally, the students volunteered at the Ronald McDonald House in Topeka a few weeks ago. They cleaned and donated homemade blankets.
