

COUNCIL GROVE AREA FOUNDATION
APPLICATION FOR GRANT

1. Organization Name: White City Schools

2. Address : 414 Goodnow White City Kansas 66872
Street City State Zip

3. Organization's Officers:
Kindergarten Teacher/Parent: 785-349-2500

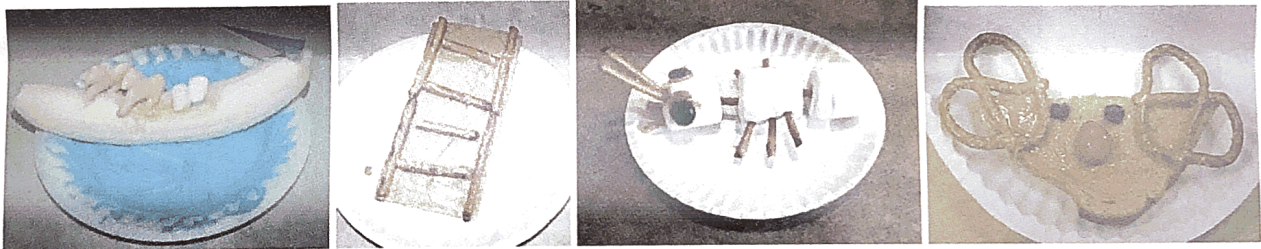

4. Contact Person, Title, Phone:
Joni Peterson: Kindergarten Teacher, Home: 785-349-2500 Work: 785-349-2211

5. Is this a tax-exempt organization? If so, date tax exempt status received:
Yes we are a tax-exempt organization; we have been tax exempt since our school has existed.

6. Title of Project and Brief Description: Cooking It Up In Kindergarten

Cooking It Up In Kindergarten will be implemented once a week. The cooking project each week will be focused on the letter of the week that is being taught in our phonics curriculum.

A few examples: If we are on the letter "B" we can make "Banana Boats", if we are on the letter "L" we can make a "Ladder", if we are on the letter "M" we can make "Marshmallow creatures", if we are on the letter "R" we can make "Reindeer".

7. Geographic Area to be served: White City School

8. What group will be benefited? Kindergarten

Size of Group: Kindergarten Classroom 15 students

9. Anticipated Project Period: 2018-2019 School Year

10. Is this a request for Capital, Operating Support, or a Special Project?
This is a Special Project Request to implement Cooking in Kindergarten.

11. Total Project Cost:
Including: \$800

This will cover the cost of implementing a weekly cooking project into the Kindergarten classroom that will focus on the letter of the week. I anticipate each week will cost approximately \$30 to purchase the ingredients to make the cooking project of the week.

12. Amount Requested from Foundation: \$800

13. Amount and Source of Pledges or Commitments to Date: NA

14. Other Grant Applications or Funding Requests made for this project: NA

15. What action has been taken on the other applications or requests? NA

16. What is the purpose of this project; what specifically will it accomplish?

The purpose of this project is to make learning meaningful, creative, and fun. Cooking in a classroom is not only fun but teaches responsibility, good nutrition and provides sensory and tactile learning experiences. It's also great for math skills such as counting, weighing, measuring, etc. Cooking with students also builds vocabulary and helps with sequencing, following directions and listening skills. It's great for all students because of the conversations we have when we are cooking and eating. It's also about having fun and building community and relationships with your students!

17. What are the problems this project will attempt to solve?

- Students will learn to follow directions.
- Students will learn to try new foods.
- Students will learn how to measure.
- Students will learn how to count.
- Students will learn how to make healthy eating choices.

18. How will this project be implemented?

This project will be implemented in the Kindergarten classroom on a weekly basis.

19. What local support is there for this project?

- I would like to have a different community member volunteer to help out with our weekly cooking project.

20. Who else in the community is working on this problem?

- Each month we have the Nutrition Education Program through the 4-H Extension Office that comes to visit with each classroom about making healthy eating choices and following the "My Plate" guidelines.

21. How will you coordinate with others working on this problem?

- I will coordinate with the administrator as we are implementing this project into our classroom. I will also coordinate with the kitchen staff if we need to use the ovens for a cooking project.

22. If awarded, how will the grant you are requesting be used?

The grant will be used to purchase the cooking ingredients and supplies needed to create our weekly recipe.

23. Is there any additional information you would like to be considered in our determining whether to make this grant?

Thank you for giving us this opportunity. We look forward to Cooking it up in Kindergarten.
