Is your organization a tax-exempt? **Yes**

Date of tax exemptions status granted: 8/22/18

Is your organization a nonprofit 501(c)(3)? **No**

Date status granted:

Tell us about your organization.

FBLA is a student organization at Council Grove Junior-Senior High School. Each year, we try to find opportunities to gain knowledge and skills in business and leadership. At least every other year we tour a college campus and ask questions to find more out about post-secondary opportunities. One of our annual leadership activities is to build spirit within our school, as we host spirit nights, a talent show, and a back-to-school organizational fair to promote involvement in school clubs.

Another part of our activities is competition. Students can compete at the district and state level in over 60 events, with the hope of qualifying for national competition.

Project Information

Name of project: FBLA National Leadership Conference

What geographic area will be served: USD 417

Who will benefit: 13 students (and sponsor) planning to attend NLC in June

June 28, 2019  
Anticipated Project Start Date

July 3, 2019  
Anticipated Project Completion Date

What is the purpose of this project; what specifically will it accomplish?

We hope to take 13 students, who have qualified to compete at the national level, to the FBLA National Leadership Conference in June. Students gain in three areas from attending this conference. First, they get to compete at the national level. Over 11,000 competitors will be involved. Second, they get to hear motivational speakers and attend leadership workshops for over two days. Third, they get to experience a different part of our country, meet people from all across the United States, and see and take part in activities located in San Antonio.

What problem is this project attempting to solve?

This project opens the eyes of our students to all of those possibilities listed above. Funding from your organization would help ease the burden of trying to pay for and raise all of the cost of the trip.

Who else in the community is working on this issue? Please list all other groups and/or committees.

We have requested funds from the USD 417 Educational Enhancement Fund, and are also working on various fundraising activities within our club.

How will the project be implemented and how will you coordinate with others working on this issue?

We are working on activities that involve the entire USD 417 communities, such as a bingo night that will be fun for people of various ages, and help us to share the information about the activities in which students have worked to qualify for national competition.

What local support is there for this project?

Our school district is putting some money towards the trip, and is the past two years the community has supported us by attending our fundraisers and given us moral support as well with well wishes.

Financial Information

\$2,933 (left to raise)  
Total Project Cost

\$50-100 per student (Amount \* 13)  
Amount Requested from CGAF

Please list the amount and source of pledge or commitments to date:

See attached sheet.

Please list any additional funding requests that will be made:

See attached sheet.
