Herington Hearts Core Circles is a program that is partned with Youth Core Ministries out of Greensburg, KS, Essdack (educational program) and Circles USA. This program helps families thrive by giving them educational tools and builds support systems to help bring families out of poverty and reduce choas in their life. This program unlike most others is not a band-aid but a long term solution. We walk side by side families to make sure they thrive & continue success. Instead of paying their electric bill or providing them food for the table we help get to the root of the problem and work together to help them no longer need the assistance.
